1. *Use a Get-Paid-To (GPT) Platform*

How it works: GPT sites and apps like Branded Surveys and Swagbucks are free to use and offer several ways to make money online. You can get paid to complete surveys, play games, sign up for special offers and complete in-app milestones. You'll typically earn reward points that you can either cash out via PayPal or redeem for a wide range of gift cards.

What makes it easy: Many highly rated apps available, zero experience or skills required, sign up and start earning in minutes.

How much it pays: $0.50 to $5 per task.

Remote-friendly: Yes.

Tips to Optimize Your Pay

Sign up for multiple GPT platforms

Complete your profile thoroughly

Check in daily for new opportunities

Focus on higher-paying tasks

Cash out regularly

1. *Take Advantage of Cashback Offers and Rewards*

How it works: You can earn rewards simply by doing things like shopping online or signing up for special offers. For example, you could get a cash welcome bonus of hundreds of dollars just for opening a new bank account. Alternatively, you could earn cashback on your purchases when you shop on a platform like Rakuten or Swagbucks, earn cashback when you shop with a rewards credit card, or take advantage of welcome bonuses on stock trading platforms and crypto exchanges.

What makes it easy: No skills required, simple way to earn, wide range of offers and rewards programs available.

How much it pays: Bank welcome bonuses typically range from $150 to $700. Earn rates usually range from 1% to 10% cashback.

Remote-friendly: Yes.

1. *User Testing*

How it works: As a user tester, you can get paid to test how websites, apps and products perform in the real world. There are several legit testing platforms where ordinary people can sign up, create an account, and then get paid by companies to test their products and provide detailed feedback.

What makes it easy: Work from home, choose your own hours, no prior experience or specialist skills needed.

How much it pays: $3 to $5 per 5-minute test or $30 to $100+ for more complicated tests.

Remote-friendly: Yes.

Tips to Optimize Your Pay

Sign up for multiple testing platforms

Complete your demographic profile

Be articulate in your feedback

Check for new tests regularly

Meet deadlines consistently

1. *Scoop Dog Poop*

How it works: There are a lot of great things about welcoming a dog into your life, but cleaning up after your pupper isn't one of them. And there are plenty of pet parents with yards out there who are more than happy to offload this task to someone else. So why not set up your own pet waste disposal business and earn some extra money on the side by scooping poop?

What makes it easy: No skills or experience required, services are in high demand, flexible enough to fit around your lifestyle.

How much it pays: Approximately $15 - $20 per yard cleanup.

Remote-friendly: No.

Tips to Optimize Your Pay

Offer weekly or bi-weekly service packages

Bring your own supplies

Be reliable and thorough

Advertise in local pet groups

Consider expanding to multiple neighbourhoods

1. *Deliver Packages*

How it works: Amazon Flex lets you use your own vehicle to deliver Amazon packages. Once you've signed up and been approved, you can pick delivery blocks that suit your schedule and then start earning by making deliveries.

What makes it easy: Simple signup process and management via the Amazon Flex app, use your car to boost your income, work hours that suit you.

How much it pays: Approximately $22-$27 per hour, according to Flex.

Remote-friendly: No.

Tips to Optimize Your Pay

Choose blocks during peak times

Organize packages for efficient delivery

Track mileage for tax deductions

Maintain a good rating

Work consistently for priority access

1. *Deliver Catalogues and Flyers*

How it works: Delivering flyers and sales catalogues in your local area is one of the easiest side hustles in Canada. Get your regular delivery route, strap on your walking shoes and start distributing.

What makes it easy: Zero thinking required, choose your hours, helps you stay fit at the same time.

How much it pays: Approximately $10 - $20 per hour.

Remote-friendly: No.

Tips to Optimize Your Pay

Get a regular route for consistent income

Use a cart or wagon for heavy loads

Deliver during good weather

Be reliable to keep your route

Consider multiple routes for higher income

1. *Complete Microtasks*

How it works: Sites like Amazon Mechanical Turk, Clickworker and JumpTask let you make money by completing simple online tasks. There's nothing particularly glamorous about the work—you could get paid to do jobs like data entry, transcribing audio and tagging images—but it's an easy way to make a few extra bucks.

What makes it easy: Work from home, choose your hours, short and simple tasks, no special skills required.

How much it pays: $0.50 - $15 per hour.

Remote-friendly: Yes.

Tips to Optimize Your Pay

Complete qualification tests

Focus on higher-paying tasks

Work efficiently

Use multiple platforms

Check for new tasks regularly

1. *Start a Mobile Car Wash Service*

How it works: Washing the car is one of those jobs that needs to be done regularly, but that many of us often can't be bothered or can't find the time to do. So if you're willing to get your hands dirty, a mobile car

wash business is an easy side hustle.

What makes it easy: Minimal startup costs, plenty of demand for work, simple to fit around your regular job.

How much it pays: Approximately $15 - $25 per hour.

Remote-friendly: No.

Tips to Optimize Your Pay

Offer mobile service for convenience

Create package tiers

Use quality products

Take before-and-after photos

Build regular clients

1. *Do Laundry*

How it works: If you don't mind taking on this chore that a lot of people hate, setting up your own laundry service is one of the best easy side hustle ideas. You could go out on your own and advertise locally, or sign up with an at-home laundry service app. Then you can pick up people's dirty laundry, wash and fold it, then drop it back to them at home.

What makes it easy: Get paid for doing a basic household chore, low startup costs, choose how many clients you want.

How much it pays: As a rough guide, you could charge $25 - $30 per load.

Remote-friendly: No.

Tips to Optimize Your Pay

Offer pickup and delivery

Use quality detergents

Be reliable with turnaround times

Handle special care items carefully

Build regular clients

1. *Become a Dog Walker or Pet Sitter*

How it works: If you think the best things in life are furry, this is one of the easiest side hustles you're likely to come across. Sites like Pawshake, Rover and Spot make it easy to create a profile and offer dog walking and pet sitting services in your local area.

What makes it easy: Work outside or at home, flexible hours, sign up and look for work within minutes, you get to play with doggos.

How much it pays: You can earn approximately $20 or more for a 30-minute dog walk, while pet sitting rates start at around $40 a night.

Remote-friendly: No.

Tips to Optimize Your Pay

Build trust through reviews

Get pet first aid certified

Take photos during walks

Be reliable and communicate clearly

Offer additional services

1. ***Work as a Junk Removalist***

How it works: Do you have a pickup truck or van with plenty of space? You could make extra pocket money in your spare time by starting a junk removal side hustle. There are plenty of people out there with a need for someone to help them get rid of bulky items or green waste and take it to the dump. Alternatively, you could work as a furniture removalist, helping people move bulky items like couches and fridges from A to B.

What makes it easy: Low startup costs (if you already have a suitable vehicle), easy to fit around your 9 to 5, no special skills required.

How much it pays: Varies. Prices generally start at around $50 per job.

Remote-friendly: No.

Tips to Optimize Your Pay

Offer same-day service

Price by volume or weight

Advertise on local Facebook groups

Build relationships with realtors

Consider recycling valuable items

1. ***Work as a Babysitter***

How it works: Any parent of young kids will tell you that a trustworthy and reliable babysitter is worth their weight in gold. You can start out minding the kids of family friends for the night, then rely on word of mouth and advertising your services on local Facebook groups to build your client base.

What makes it easy: Easy to fit around your 9-to-5 job, low startup costs, plenty of demand for reliable babysitters.

How much it pays: Approximately $15 - $20 per hour.

Remote-friendly: No.

Tips to Optimize Your Pay

Get CPR and first aid certified

Build relationships with families

Plan activities to keep kids engaged

Be reliable and communicate clearly

Consider offering date-night sitting

1. ***Do Yard Work***

How it works: Some people hate doing yard work, while others simply don't have enough time to stay on top of outdoor maintenance tasks. Then there are those people who physically can't do the work, like the elderly, people with disabilities and pregnant women. And that's where you come in. If you're willing to get your hands dirty and mow lawns, rake leaves, weed gardens and clear gutters, you can tap into a potentially lucrative extra income source.

What makes it easy: Work in your local community, jobs available year-round, low startup costs.

How much it pays: Approximately $15 - $30 per hour.

Remote-friendly: No.

Tips to Optimize Your Pay

Bring your own equipment

Offer seasonal services

Be reliable and do quality work

Ask for referrals

Consider monthly maintenance packages

Related: Make money from home with little to no financial investment

1. *Sell or Rent Out Your Stuff*

How it works: Need to declutter your home? You can make some extra cash by selling stuff you no longer need on platforms like Facebook Marketplace. Alternatively, turn your possessions into an ongoing source of passive income by renting them out to other people on sites like Fat Llama and Lend-it.ca. From drones and projectors to party costumes, wheelbarrows and karaoke machines, the list of items you can rent out is just about endless.

What makes it easy: Put your unused stuff to work, potential for passive income, there's a huge range of items you can sell or rent.

How much it pays: Varies depending on the item.

Remote-friendly: No.

Tips to Optimize Your Pay

Take clear, well-lit photos

Write detailed descriptions

Price competitively

Respond promptly to inquiries

Consider bundling items

1. *Work as a Rideshare or Food Delivery Driver*

How it works: Uber, Lyft, Uber Eats, DoorDash—there are plenty of legit platforms and apps that let you earn extra income by delivering passengers or food. If you've got an eligible vehicle, you can start driving for money on a schedule that suits your lifestyle.

What makes it easy: Flexible hours, you can earn extra from tips, be your own boss, you're not stuck in an office.

How much it pays: Earn approximately $20 per hour.

Remote-friendly: No.

Tips to Optimize Your Pay

Work during peak hours

Track mileage for tax deductions

Provide excellent customer service

Use multiple apps

Keep your vehicle clean

1. *House Sitting*

How it works: Homeowners who travel frequently need someone to watch their property, collect mail, water plants, and handle basic maintenance while they're away. House sitting often includes pet care, making it a natural fit for animal lovers. You can find house sitting opportunities through word of mouth, local Facebook groups, or dedicated platforms like HouseSitters Canada and TrustedHousesitters.

What makes it easy: No special skills required, often includes free accommodation, flexible schedule, minimal time commitment.

How much it pays: $25 - $75 per day, depending on responsibilities and location.

Remote-friendly: No, but you stay at the property.

Tips to Optimize Your Pay

Build a profile with references

Be reliable and communicative

Document everything with photos

Offer additional services like plant care

Build relationships with repeat clients

1. *Clean Houses*

How it works: If you don't mind doing the dirty work, you can get paid to clean houses in your local area. There are plenty of people who are time-poor or just allergic to cleaning and happy to pay someone else to do it. You can start by offering services to friends and family, then expand through word of mouth and local advertising.

What makes it easy: Steady demand, flexible hours, low startup costs, no special skills required.

How much it pays: Approximately $20 - $30 per hour.

Remote-friendly: No.

Tips to Optimize Your Pay

Offer deep cleaning services

Bring your own supplies

Be reliable and thorough

Build regular clients

Ask for referrals

Bottom Line

The key is to choose one that matches your available time, interests, and earning goals—then start small and scale up as you gain experience.

Frequently Asked Questions

What are some easy side hustles for teens in Canada?

Easy side hustles for teens include GPT platforms (if you meet the age requirement), dog walking, pet sitting, babysitting, yard work, flyer delivery, selling unused items, and microtasks. Many of these require parental permission for minors. Teens can also offer services like car washing, plant watering, and house sitting for neighbours.

Are there any easy side hustles from home in Canada?

Yes, easy side hustles from home include GPT platforms, user testing, microtasks, selling digital products, virtual assistance, and online tutoring. These require only a computer or smartphone and internet connection. Many can be done during spare moments throughout the day.

Are there any other side hustles that let you make money online in Canada?

Additional online side hustles include freelance writing, social media management, affiliate marketing, selling printables on Etsy, running a print-on-demand store, and creating online courses. These require

more effort to start but offer higher earning potential.

Are there any free side hustles in Canada?

Yes, many side hustles require zero upfront investment. GPT platforms, user testing, microtasks, flyer delivery, dog walking (if you have comfortable shoes), selling unused items, and bank sign-up bonuses are all free to start. These are ideal for beginners who want to test side hustling without financial risk.

How much can I earn from easy side hustles in Canada?

Earnings vary by side hustle. GPT platforms pay $0.50-$5 per task. User testing pays $3-$100+ per test. Dog walking pays $20+ per 30-minute walk. Yard work and house cleaning pay $15-$30 per hour. Delivery drivers earn $20-$27 per hour. Bank sign-up bonuses offer $150-$700. Most beginners can earn $100-$500 per month by dedicating a few hours per week to one or two side hustles.

Which easy side hustle pays the most in Canada?

The highest-paying easy side hustles include user testing ($30-$100+ per test), Amazon Flex package delivery ($22-$27 per hour), and bank sign-up bonuses ($150-$700 per account). However, these vary in availability and requirements. For consistent hourly earnings, delivery driving and yard work offer reliable returns.
